## Letter from the Conference Chair

Hey there MACURH! It was awesome to see all of you at No Frills this past weekend and I hope you all had an amazing time. I'm looking forward to seeing you all again at NACURH and hope that you are looking forward to a weekend in the nice warm, sunny state of Oklahoma. I just thought I'd let you in on what's been going on down here in Rolla, and I hope you are all as well informed as I would like. Firstly, we've been hard at work changing our schedule and pre-conference dates to coincide with our later conference weekend. Secondly, your MACURH conference staff had their very first retreat a few weeks ago and I think we

pulled off a very successful day. The pictures interspersed though the newsletter capture some of the fun we had that day. Thirdly, we (finally) have a website up and

running. There's still a lot of info that needs to go into it, but at least it's out there for you all to enjoy. You can find all of our contact info

on the back of the newsletter as well as when we are all in the office for your convenience. Unfortunately, we are still working to get a computer up and running in the office and not everyone may have a laptop to bring with them. I ask all of you to be patient with us and as always, if you need anything, feel free to contact any one of us at any time! I hope all of you arrived home safely from our awesome weekend and you'll hear from me again soon.

Tori Seely  
MACURH 2008 Conference Chair
