

## **MACURH NRHH CHAPTER RECOGNITION**

MACURH NRHH is one of the few regions that recognize their chapters for outstanding work done in the region! Usually, NRHH chapters across MACURH recognize their students, advisors, and programs. Now, it is the NRHH Regional Director's chance to do the same!

Chapter recognition is broken down into categories and in each of the categories in which points are given. As you look at the list, please keep in mind due dates, etc. . . The categories are:

- OTMs
- Affiliation
- Conference Attendance
- Communication
- Bids

Chapters can be recognized in one of four (4) categories:

- Platinum
- Gold
- Silver
- Bronze

A Platinum chapter is the highest award that a chapter can receive in the MACURH region. It is followed by Gold, Silver, and Bronze chapter levels. The time period from which this is judged is MACURH to MACURH each year. Chapters will be recognized for their achievements during the NRHH regional business meetings at the MACURH conference.

Questions about the point system and chapter recognition should be directed to the MACURH NRHH Regional Associate Director. Point level totals will be kept confidential by the RA-NRHH. The goal of chapter recognition is to challenge chapters to achieve the highest level of involvement and activity as possible. It is not a competition between schools in the region. It's main purpose is recognition of chapters. . .just like the ideals of NRHH when members recognize students.

# THE BREAKDOWN OF THE POINT SYSTEM

## OTMs

1 point	Each OTM submitted (maximum of 12 points each month)
2 points	Honorable mention OTM (maximum of 24 points each month)
5 points	Each regional winning OTM
